

# MENTOR TEXT PICTURE BOOK LIST: BEST "SCARY FISH" BOOKS

If you like picture books that are a little bit scary and a whole lot of fun, read on

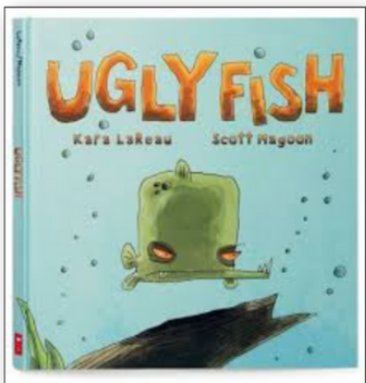

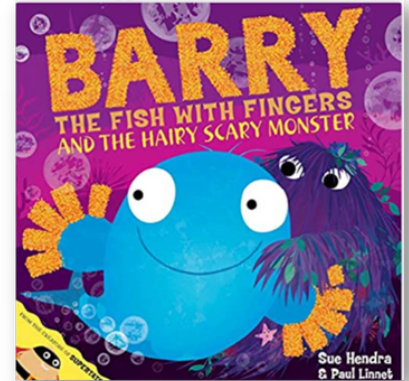

*Not Norman*  
by Kelly Bennett

Norman the goldfish isn't what this little boy had in mind. But when Curtis tries to trade Norman for a "good pet," things don't go as he planned. Could it be that Norman is a better pet than he thought?

*Barry the Fish with Fingers and the Scary Harry Monster*  
by Sue Hendra and Paul Linnet

Barry & his fishy friends are playing hide & seek. Puffy finds a great hiding place in an old wreck, but he gets scared out of his wits when he sees a hairy monster lurking in the shadows. Luckily Barry the fish with fingers comes to the rescue!

*Ugly Fish*  
by Kara LaReau and Scot Magoon

What's scarier than a bully? Ugly Fish is ugly and big and mean, and he doesn't share...with anyone! And that means the wimpy little fish who keep showing up in his tank have got to go. But then one day someone bigger and uglier and maybe even meaner arrives . .

*Ten Scared Fish*  
by Ros Moriarty and Balarinji

This underwater Australian creature counting book starts out 1-2-3 with Turtles, then a Snake... until finally 10 little Fish meet a big scary SHARK! Bold, bright pictures perfect for 1-3-year-olds.

*Teeth, Tentacles, and Tail Fins: A Wild Ocean Pop-Up*  
by Matthew Reinhart

Underwater creatures that jump out from the page! Literally! Featuring the colossal squid, the anglerfish, goblin shark, of course, with facts about the creatures.

Award-winning author Kelly Bennett writes for children, mostly picture books—fiction and non-fiction—celebrating imagination, families, friends, pets... all that goes into being a kid! On her website, Kelly offers educational resources, projects, games, writing prompts, reader's theater scripts to compliment all of her remarkable books.
